

庵泉福 (六ノ其) 山離俗恩報忠北 (所名鮮南)

The monastery where we  
 lived for ten days on  
 two occasions holding  
 Bible study conferences  
 for the Christian workers.  
 It is in the Sacred Bud-  
 dhist mountains east  
 of Chongju. Note  
 the water troughs to  
 catch the cold pure  
 spring water from under  
 the rocks. Also the oak  
 bark was held down by  
 stones to the left & from  
 center they last 30  
 years or more do  
 not leak. Temple be  
 hind living quarters. My  
 room 4th door to left. From there  
 one large living sleeping room.
